Every Third Thought: On Life, Death And The Endgame

Synopsis

AS READ ON BBC RADIO 4 BOOK OF THE WEEK 'Thoughtful, subtle, elegantly clever and oddly joyous, *Every Third Thought* is beautiful' Kate Mosse In 1995, at the age of forty two, Robert McCrum suffered a dramatic and near-fatal stroke, the subject of his acclaimed memoir *My Year Off*. Ever since that life-changing event, McCrum has lived in the shadow of death, unavoidably aware of his own mortality. And now, twenty-one years on, he is noticing a change: his friends are joining him there. Death has become his contemporaries – every third thought. The question is no longer 'who am I?' but 'how long have I got?' and 'what happens next?' With the words of McCrum's favourite authors as travel companions, *Every Third Thought*, takes us on a journey through a year and towards death itself. As he acknowledges his own and his friends' ageing, McCrum confronts an existential question: in a world where we have learnt to live well at all costs, can we make peace with what Freud calls 'the necessity of dying'? Searching for answers leads him to others for advice and wisdom, and *Every Third Thought* is populated by the voices of brain surgeons, psychologists, cancer patients, hospice workers, writers and poets. Witty, lucid and provocative, *Every Third Thought* is an enthralling exploration of what it means to approach the end game, and begin to recognize, perhaps reluctantly, that we are not immortal. Deeply personal and yet always universal, this is a book for anyone who finds themselves preoccupied by matters of life and death. It is both guide and companion.

Customer Reviews

Nothing new or unique here. No new thought. No new turn of words. No fascinating insight. This is nothing but one long ramble of a conversation that you've heard many times. The unique conclusion? Live for today! Enjoy today! Now that's new, isn't it? The only wit is in words he quoted. There is no humor here, as some reviewers said. I feel totally ripped off.

Wonderfully written. Couldn't put it down.
