Steps Of The Heart Next Dance

Synopsis

Sensual, mesmerizing, elegant. Victoria Moore, was the gold standard in dance. More than fluid movements. It was her life. However, a life without love isn't really living. And a dancer without passion was taboo. Love at her fingertips. Two very different men. Sonny de la Cruz, a Latin Superstar who belonged to another. And Alejandro Perez, a powerful Latin record company mogul. The better choice! Her title. Her existence. Fate had a different plan for her. Then life spins the perfect Rumba named Robbie Santos. What happens when a handsome-silver tongued-Miami club dancer with as much bravado as attitude becomes your protagonist? Next Dance is a story filled with crazy cool fashion, exotic locales and a smoking hot love triangle.

Customer Reviews

Another great effort from Di Anne Sandvik. This story pulls at your heart strings and let's you see and feel what is to be truly torn between two lovers. The struggle to find your piece of happiness.

Victoria is moving towards her last competition season and planning to leave on top. She takes a

leap of faith with someone new to make that happen. As for her personal life she thinks she has it all figured out as well. But the fates are a fickle lot in this world. Di Anne takes the reader on an emotional ride that keeps you engaged till the last page. Then wanting more. I hope you take the time to take this next dance in this series. I think you will have a good time.

This is a great follow up read to the first book!! I really enjoyed this story! I don't want to give anything away or give any details but I totally recommend reading this series! Di Anne is a great writer! I will read anything she publishes! Take a chance on a new author and check this series out. You won't regret it!

The second installment of Steps of the Heart was not a disappointment. The struggles and the emotions pulled you right into the continuation of a dancer's dream of success, love, and Happily Ever after. Ms. Sandvik did an excellent job of picking up where she left off and drawing us into the next dance. I can't wait for the third book to discover who her HEA is.

Omg i felt Victoria's pain and disappointment. i couldnt stop reading this book i cant wait to see what happens next with victoria. im so glad i got to read this book i love love it.

This is a great story mixed with action, emotion and a story line to explore, each one of the books I finish I cannot wait to start the next one!
