Great

Gets the job done mostly. There are a pages that have been ripped out which puts a damper on my homework.

but it didn't come with access code and i had to pay for that seperately.

The book is used for the class I'm taking and it is easy to understand and have page numbers to go to for extra practice.

The book was just as it stated, new and in great condition and arrived before time. Good job!

Nice book for a great price

It's a textbook.

Perfect condition
