## **Customer Reviews**

I'm an avid adult coloring book enthusiast (not an artist but I do enjoy the relaxing benefits of coloring with colored pencils). I love all things mystical, such as mermaids, fairies, etc so I had to get this book. The illustrations are just gorgeous! They are detailed but not too intricate to color. (more than just a mermaid, the interesting backgrounds make it more fun to shade and make it your own) I am very happy with my purchase. I've enclosed a pic I've done from the book already. Two thumbs up for this one!

The drawings are beautiful. Love mermaids and faces and eyes. Single sided paper and good quality. Very happy with my purchase. I wasn't giving anything free or cheaper for my review. This is my honest opinion.

Wonderful coloring book. Love her illustrations. Like that its single sided so I can frame the pic if I want.

Beautiful images to color in this mermaid coloring book by Christine Karron!

Beautifull. Nice. Perfect

yes...what I had hoped

Lovely coloring book

I love this book!! Its full of 20 one sided stunning hand drawn mermaids!!! It's a great mix of up close portraits and also full mermaids with backgrounds, some even have super cute borders around them!! These gorgeous girls are full of gems, jewellery, crowns and tiaras!! Whats not to love!!! Theres a few animals too! Whales, jellyfish, dolphins, turtles and fish!! This book is just full of so much whimsical beauty!! And hours of colouring fun!!! Each page has a border, wether its a simple border or fun filled beautiful border, it makes it so much easier to colour as none of the images go into the spine!! Yay!!!
