# Lumberjanes Vol. 3: A Terrible Plan

## Synopsis

If you got it, haunt it! Trying to take advantage of the first quiet day at camp in a while, Mal and Molly's date takes a bizarre turn with the appearance of the bear woman! Back at camp, Jo, April, and Ripley must stay on their toes as they try to earn every badge possible which ends up being a lot harder than any of them ever planned. This *Ã* *Ã* New York Times *Ã* *Ã* bestseller and multiple Eisner Award-winning series is written by Noelle Stevenson (Nimona) and Shannon Watters, and illustrated by Carolyn Nowak (Rungs). Featuring spooky guest talent Faith Erin Hicks (Friends with Boys), Brittney Williams (Patsy Walker AKA Hellcat), Felicia Choo, and more.

I couldn't wait to dive into this one after reading the other two. What I was immediately put off by was the new art style. I wasn't thrilled about it because I loved the past artwork, but I pushed forward and I'm happy I did! It ended up being pretty awesome. Looking back I guess I just wasn't sure what to think about it and was holding onto the first two. So friends, keep an open mind... I REALLY loved this one. I felt like the story was more thought out and allowed me to get more invested. I also got to know more about each of the girl and

their personalities which allowed me to connect with them all individually. I LOVED how aggressive and goal orientated April was. It reminded me of myself haha But the part about decorating cakes killed me especially because of Ripley. It was adventurous and humorous and I hope this series continues in this direction!!

Bought as a present for a niece.

My kids like it they recommend it

My daughter fell in love with this series and enjoyed both the paperback and ebook versions. A fun series for middle schoolers!

I bought this for my son so he would read something with female main characters. I would read this even if I didn't have kids. Love everything out the book. The characters. The art. It's all great. Get them all.

Fantastic

Interesting graphic novel! Wonderful and definitely worth buying or atleast takeing a look at.

Daughter loves this series.
