This book is awesome! My 2 year old son loves reading it at night before going to bed. He even has taken it to bed with him a few times. The pictures in the book are big and colorful and it is a quick read before bed time. I wish they made these for every sport I'd buy them all.

I grew up reading Little Golden Books, and now my own children have a collection of these wonderful children's books. I bought "Football With Dad" to give as a Christmas gift to my 5-year-old

who really loves football; he enjoys playing it with his dad or siblings, watching it, reading about it, etc., so this was perfect. He has read the book numerous times and still isn't tired of it.

My grandson loves football and he loves this book.
