Customer Reviews

The Kindle version was great... I would suggest it to any student that has to read the stories... Good reading...

Expected more beautiful prose

Katherine Anne Porter is one of our greatest short story writers and these are three of her most

famous stories. "Noon Wine" is in most college anthologies and should be studied.

Great short stories, especially Pale Horse, about Kathrine's near death after contracting the Spanish Flu in 1917.

a different kind of classic..... great details in story held my interest

These three longer short stories telling the mysteries of living and dying represent Porter at her best. They are gems.

Porter was a treasure, and if you are unfamiliar with her work, this is a good place to start.

Good read
