# Kabbalah Works: Secrets For Purposeful Living

## Synopsis

Awaken to your purpose, your passion, and your power! The secret wisdom of the Kabbalah is a secret no more! Rabbi David Aaron, best-selling author of *Endless Light*, *Seeing G-d*, and *The Secret Life of God*, has helped readers and students of all faiths find meaning, purpose, and personal power from the ancient teachings of the Kabbalah. Now he draws on its timeless truths to answer the questions and issues that matter to you most in *Kabbalah Works*. In these intimate talks, filled with the warmth and humor beloved by his audiences around the world, Rabbi Aaron shares the divine knowledge of Jewish mystical tradition to offer practical guidance for modern times. He shows how you can achieve success in every aspect of your life, love, happiness, creativity, and more, when you unlock your natural self-knowledge and reclaim the abundance within you. And he inspires you to discover your ultimate identity, purpose, and joy as he speaks to such vital matters as: how beliefs make or break our lives; the joy of self-awareness; connecting to the divine; the power of service; the gift of eternal life; and more! Illuminate your tomorrows with the insights of the ancients. Make the connection to a life beyond your dreams with *Kabbalah Works*!

#393 in Books > Religion & Spirituality > Judaism > Kabbalah & Mysticism #4748 in Books  
> Audible Audiobooks > Health, Mind & Body > Self-Help

## Customer Reviews

This audio series is simply and tastefully recorded. It does the job of moving you to know yourself a little better without being heavily dogmatic.

If you have any curiosity about the Kabbalah, this is a superb introduction - especially in audio form. I stumbled on it at my local library and expected at best a straightforward explanation of the basic

tenets of the Kabbalah, and at worst a dry, theological lecture. Instead, I discovered a very endearing book read by the author who has one of the most listenable voices possible. He does not go into the details - I'm assuming there are a lot of details to the Kabbalah - but introduces some main ideas through captivating personal stories. Among other things, he talks about how God cannot be a stern being who is apart from us and whom we have to dread and obey. And he shows why this is so in a way that makes it self-evident. A truly excellent book.

I find the author's audio presentation irritating. Although the material is interesting I have had to look elsewhere for an audio book on the subject. I can not listen to Mr. Aaron. It seems that he is speaking to children.

B"H I've had the privilege to attend shirum and an Isralight retreat hosted by Rabbi David Aaron. I have many audio and printed books on this and similar Chassidic subjects but none compare to the depth and presentation here. This studio quality recording is superb. Rabbi Aaron goes beyond his normal lectures in this CD set to capture your attention for all 5 CD's leaving you clinging for more. I'm sure anyone who owns this set will enjoy it as much as I and be inspired to continue learning and finding more presentations from this great storyteller.

This is the first information I have received on Kabbalah. I enjoyed it thoroughly. I was surprised as to how "Eastern" these mystical Jewish beliefs are, and look forward to more information from Rabbi Aaron and on Kabbalah.
