Baptism Ahead: A Road Map For Older Children

Synopsis

Integrating contemporary narrative, biblical lessons, and student-friendly talking points, this innovative volume leads older children through baptismal preparation and a basic orientation to Christian discipleship and membership in the local church. The author identifies key aspects of the Christian life with familiar road signs and compares the discipleship journey with a road under construction. The book's content is complemented by online features, including a message board where students and teachers can post lessons learned and best practices. Ages 8-12.

Customer Reviews

Good basic theology. Older child friendly. Encouraged children to reflect and determine if they were ready for baptism. Assured them that, if not, it was ok to wait.
