THEODOR SEUSS GEISELâ aka Dr. Seussâ is one of the most beloved childrenâ™s book authors of all time. From The Cat in the Hat to Oh, the Places Youâ™ll Go!, his iconic characters, stories, and art style have been a lasting influence on generations of children and adults. The books he wrote and illustrated under the name Dr. Seuss (and others that he wrote but did not illustrate, including some under the pseudonyms Theo. LeSieg and Rosetta Stone) have been translated into thirty languages. Hundreds of millions of copies have found their way into homes and hearts around the world. Dr. Seussâ™s long list of awards includes Caldecott Honors for McElligotâ™s Pool, If I

Ran the Zoo, and Bartholomew and the Oobleck, the Pulitzer Prize, and eight honorary doctorates. Works based on his original stories have won three Oscars, three Emmys, three Grammys, and a Peabody.

I have a 6 yr old son, in first grade. He is shy, but he becomes more shy because he has issues with reading. He came to me one day, after he went to the school library, and he picked out this book and started reading it. It came so easy for him and felt very comfortable reading it. He then wanted me to buy it so he could begin reading some stories to his class. I have never seen him so excited about reading, especially in front of his classmates. The book contains about 6 or 7 stories of which each story is about 10 -12 pages. This was by far the best money I spent on a book for my son.

My son loves Wacky Wednesday most of all. There are wacky things on each page to find and it involves him more in the story. Once I read this story to him from this book, it was the only story he wanted me to read to him for almost a month. Definitely recommend this set of Dr. Seuss books!

I also get nervous buying books online but im so happy i got this one. was in perfect condition!

My grand daughters love these books and it motivates them to read.

Who doesn't like Dr. Seuss???? My class loved reading the stories.
