The New-England Primer [1777 Facsimile]: Improved For The More Easy Attaining The True Reading Of English

Synopsis

2014 Reprint of 1887 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. This is an exact reprint of the 1777 edition printed at Boston by Edward Draper. The first edition of the primer was printed as early as 1690 but no known copy exists before 1761. "The New England Primer" was the first reading primer designed for the American Colonies. It became the most successful educational textbook published in 18th century America and it became the foundation of most schooling before the 1790s. In the 17th century, the schoolbooks in use had been brought over from England. By 1690, Boston publishers were reprinting the "English Protestant Tutor" under the title of "The New England Primer." The Primer included additional material that made it widely popular with colonial schools until it was supplanted by Noah Webster's "Blue Back Speller" after 1790.

Book Information

Paperback: 84 pages

Publisher: Martino Fine Books (February 16, 2014)

Language: English

ISBN-10: 1614275769

ISBN-13: 978-1614275763

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars 19 customer reviews

Best Sellers Rank: #321,036 in Books (See Top 100 in Books) #123 in [Books > Christian Books & Bibles > Worship & Devotion > Catechisms](#) #65764 in [Books > Religion & Spirituality](#)

Customer Reviews

My husband loves this book

This is a great book. We were doing a unit study on David Crockett and of course it talked about the primers they used for school. This wasn't the first time that it's came up in a study so i decided to order this so that the children would understand exactly what it was. They often pick up and look through it.

This is the way school was taught back then. You also learned the Bible at the same time.Great idea!

It is a great book!

Great teaching tool for home library.

Not worth the money

Wish these were used in school now.

We should be using it in public schools!
