Claudia Schiffer

Synopsis

This stunning book, curated by Schiffer herself, is a highly personal collection of her favorite fashion moments and a tour-de-force of beauty, tracing her work from ã-bermodel to muse to modern-day icon, as captured by the greatest photographers the fashion industry has known: Richard Avedon, Patrick Demarchelier, Arthur Elgort, Steven Klein, Peter Lindbergh, Steven Meisel, Herb Ritts, Francesco Scavullo, Mario Testino, Ellen von Unwerth, and many more. Like ã-Kate: The Kate Moss Bookã andã-Becoming, by Cindy Crawford, this visually sumptuous book features the greatest hits of this supermodel and global fashion and beauty icon. From her role as the face of Chanel to her appearance on a thousand magazine covers, Schiffer remains the eternal blonde. Claudia Schiffer is one of the handful of models who have become modern icons. ã Her face has appeared on the covers of Vogue, Elle, Harper's Bazaar, Cosmopolitan, Vanity Fair--even on the cover of Time. Peopleã has listed her among the "Twenty-Five Most Beautiful People" and US magazine among the "Ten Most Beautiful Women" in the world. She was number 73 on the Forbes list of the 100 most influential personalities in the world. She has done the catwalk for the world's greatest designers and is one of the most photographed faces of our time. ã Model. Muse. Global fashion icon. Claudia Schiffer is legendary both in terms of accomplishments and longevity. From her discovery at age seventeen in a Dã-sseldorf discotheque to becoming Karl Lagerfeldã™s muse and landing multimillion-dollar beauty contracts, Schifferã™s record-breaking successes catapulted her to international fame. With a career spanning over three decades, she is still snaring magazine editorials and advertising campaigns today.

"Claudia Schiffer, naked and coming to a coffee table near you. To mark the 30th anniversary of the German super-model's career " she was discovered in a Düsseldorf disco at age 17 " Rizzoli is putting out "Claudia Schiffer" by Schiffer, a collection of her favorite fashion moments to be published in October. The cover image is Schiffer in the buff and bathed in ethereal light, shot by Mario Testino for Vogue Paris in 2007, and the book features photos by Richard Avedon, Patrick Demarchelier, Arthur Elgort, Steven Klein, Peter Lindbergh, Steven Meisel, Herb Ritts, Francesco Scavullo, Mario Testino and Ellen von Unwerth, who also wrote the foreword." "Women's Wear Daily" met Claudia in 1989 when she was a 19 year-old model who just started working. Our very first shoot together was for the German edition of ELLE. At first I perceived a healthy German girl with a killer smile. After shooting her I realised she had a great resemblance to Brigitte Bardot. As I love to play and have models get into character, so I created that Bardot-esque look for her. " Ellen Von Unwerth "When Claudia first appeared on the fashion scene it was like sunrise "and the sun is still shining." " Karl Lagerfeld "When I first met Claudia, I recognized something of myself in her professionalism and as the years passed, we were able to connect as two women who took the job of modeling seriously, but also love being creative and working in front of the camera. I've enjoyed watching her grow and evolve over the years and find her to be one of those women who just gets better with age. " Cindy Crawford "One of the most intriguing women I have ever photographed. I wish I could make a movie with her. She is unexplainable. " Steven Klein

Claudia Schiffer has appeared in fashion campaigns for Versace, Louis Vuitton, Yves Saint Laurent, Chanel, Dolce & Gabbana, and Valentino. Photographer Ellen von Unwerth is best known for her seductive imagery, including the world-famous GUESS? campaigns featuring Schiffer.
