Rolling Stone was founded by publisher Jann S. Wenner and music critic Ralph J. Gleason in 1967. It has a circulation of more than one million readers and widespread international circulation. Wenner is also the head of Wenner Media, and the publisher of Us Weekly and Men's Journal. In 2005, he was inducted into the Rock and Roll Hall of Fame. Rolling Stone and Wenner are based in New York City.

My husband bought this for me as a Mother's Day gift after hearing it promoted on NPR. I am so glad he did! It is quite possibly one of my favorite books I've ever owned. While it mainly contains

(great) photos, it also features write ups/excerpts from their best pieces over the years. I read it cover to cover the day it arrived and have flipped through it several times after. It is truly the perfect book for those who love music/ Rolling Stone Magazine!

I've subscribed to Rolling Stone since the first issue in 1967 & this is a fantastic compilation book of all those years

Bought as a gift and he liked it a lot. Very nice photos and interesting articles. I would definitely recommend it for any age rock- n-roll fan.

This was a walk down memory lane. The book highlighted some wonderful moments to remember!ÂçÂ^Â®Ã Â,Â•

A good book about the history of Rolling Stone magazine. If you don't have the time or the energy to read every issue, then this is the next best thing

So psyched that his book was printed! It is a veritable cornucopia of vivid images that only Rolling Stone could have produced.

Wish the photos were a higher resolution but overall satisfied

An outstanding book!.
