Facility Planning And Design For Health, Physical Activity, Recreation And Sport 13th Edition

Synopsis

As the cost of construction for physical activity, recreation, sport, and health-related facilities skyrockets, it becomes paramount for those who plan, design, construct, and use these facilities to have access to a comprehensive facilities guide. The 13th edition of Facility Planning and Design has been the authority since 1946, for better facility planning, design, and construction for architects, planners, teachers, managers, administrators, specialists, and other sport and activity-related personnel.
