Baltimore Harbor: A Pictorial History

Synopsis

This newly revised and expanded edition of Baltimore Harbor provides a lively, heavily illustrated history of a vital American port that connects the Chesapeake Bay with the rest of the world. Using photographs, historic illustrations, and stories, Robert Keith traces the harbor's fascinating history. An ideal hub for the bay's network of paddlewheel steamers, the working port grew quickly alongside the shipbuilding industry at Fells Point and Federal Hill. This growth continued as the nation's first public carrier railroad, the Baltimore and Ohio, linked the wharves of the Patapsco River with the coal fields of Appalachia and the towns and farms of the Midwest. Today Baltimore harbor is better known for trendy shops than container ships. Tourists strolling the sidewalks of Harborplace are probably unaware of the port's colorful past and its important role in contemporary maritime commerce. Keith's book connects the harbor's vibrant present with its storied, equally energetic past.

Book Information

Paperback: 240 pages

Publisher: Johns Hopkins University Press; 3rd edition (March 10, 2005)

Language: English

ISBN-10: 0801879809

ISBN-13: 978-0801879807

Product Dimensions: 8.5 x 0.6 x 11 inches

Shipping Weight: 1.9 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,600,179 in Books (See Top 100 in Books) #36 in [Books > Travel > United States > Maryland > Baltimore](#) #10825 in [Books > Textbooks > Humanities > History > United States](#) #33919 in [Books > History > Americas > United States > State & Local](#)

Customer Reviews

"Informed, lively, and concise... Keith's book is a regional gem." (Baltimore Magazine)

"The harbor is a lot more than the Harborplace. The book takes you from the pleasure creeks off the Patapsco River to Bodkin, Rock and Stony creeks around the harbor to Hart and Miller islands. Keith then gives their histories and how they have changed over the years. " (Lisa DeNike Baltimore Sun)"This fascinating book recounts the city's rich maritime history. Discussed are the famous Baltimore clipper ships that dominated trade in the early 1800s, the World War II

liberty ships that poured from the city's shipyards, and today's waterfront." (Baltimore Magazine)"For those of us who know the harbor from the rail of the Patriot or the walks around Federal Hill, this volume is indispensable and long overdue... There are indeed plenty of excellent photos, an effective blend of old, not-so-old, and new pictures showing all the fingers of the Patapsco. It is also a well-composed history, documented by dates and facts, of the wrecks, fires, maritime successes, and mishaps that are so often recalled, but too often forgotten... (the detailed maps) are the best collection I've ever seen of the Patapsco." (Jacques Kelly)

Great book for anyone who wants to know Baltimore from the past.

Yeah...I am a "baltimoron"....from charm city.

I live in Locust Point and found the history and photos to be fascinating and very informative. A treasure of information!
