## Customer Reviews

Lots of reproducible Bible lessons with many learning levels included! It can be used for younger kids (3-5yrs) all the way to 8-10 year olds! My one year old son even seems to enjoy when I read to him from this book!

Great affordable option for our small pre-k/toddler class of about 9 kids. We spread each lesson over about four weeks, so it works to have a theme each month, as others have suggested. We will definitely be ordering more books in this series when needed!

The lessons are easy to use. Too much for one Sunday School if you want to do it all. Sometimes we stretch it to two weeks. It nice to have the repetition at that age anyway.

My 2 and 1/2 year old loves the stories and songs. The activities work well.

I absolutely love it! I use it for home studies and for Sunday school. Our children ministry loves it.:) I recommend this book of lessons for every toddler.

Ok

It includes the story, Bible verse, crafts, songs, and a short story that reteaches the lesson in a way little ones can understand. I love this series. It does the work for you so you can focus on enjoying teaching the lessons.

This is a great little series of lessons teaching the concept of God's care for his children. The lessons are Biblical, but the special bonus about this little book is that the crafts are included in the form of reproducible pages and are varied and fun and require few additional materials. The purchaser has permission to copy the craft pages for use in class, so it's quite a complete package. When I think about the \$\$\$\$ that are poured into curriculum, this is a great little book that is a pretty complete package for teaching precious little ones. It is labeled as being for toddlers, but I think it would be worth trying through age 5, which is well beyond toddler, if one added a few extra active games or skits.
