Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I have bought and owned many Hal Leonard Guitar sheet music editions and have always been pleased with them. Until now.....I love disco and thought it would be fun to put some disco music in my list of "can play" songs. I was VERY disappointed that so few songs were in this book, let alone

good ones. There must be another edition out there, these songs mostly sucked and I love disco. Where's all the K.C. & the Sunshine Band, Bee Gees and the like. This was such a disappointment. Now I have to go look for something else. I would NOT recommend buying this one if you're looking for good, popular songs of the 70's, disco that is.

I'd love it, it's easy to play! big font and notes make it much clear to practice. the CD MRs are great!
