Customer Reviews

Great book for McDonalds collectibles but was hoping for listings for Happy Meal toys. I have four tubs of these and I was looking for listing for these.

Excellent collection book to refer to.

Gave this as a gift and the recipient seemed to be very excited about it! Must have chosen something good to give!

This is a great reference, especially for someone like myself who was going to put my Happy Meal Toys - MIP - in a yard sale! I have tons of them and to find out they have value was great. Pics and descriptions well done! Easy to use.

Helps me identify my McDonald's collectibles--especially "Happy Meal" toys. Very pleased with the books organization and the photos which enable me to locate just what I need.

This book is a must for McDonalds collectors! The photos and descriptions have been a great asset to me in cataloguing my collection of McDonalds toys. An absolutely fabulous book!
