Customer Reviews

I bought this for my son's birthday almost 3 years ago and it's still on the top of the book stack. He loves this book - so much that it's starting to finally come apart. Hoping they come out with an updated one soon!!!

My grandson LOVES this book! He is a big b-ball fan and needs coaxing to do his regular reading. This has really helped him to read more and he usually reads aloud to me, telling me all about these

famous b-ball players. Highly recommend it for young b-ball fanatics to get the reading!

My basketball-loving son loves this book. It's full of interesting facts and nice photos of his favorite players. The paper is thick quality.

This book arrived in great condition! No scratches or bent corners. My nephew loves it and has not put it down since he got it! Will be buying more!
