Red Russia

RED RUSSIA

Synopsis

Every adventure starts as a fool's journey, and if you're lucky it ends with the aeon, but that's just the Tarot talking. No one really believes this mystical hocus-pocus nonsense, no more than they believe in divinity or fate. But what if you've seen Death running wild with the Devil? What if the Devil promised you the moon? And when you accepted, the Devil drew Death into a dance with the shadows, spooks, and assassins of Russia's political underworld? What then? Well then, you pray the fates are on your side and the deck stacked in your favor. *Red Russia* is the story of two Americans in Russia, of business, lies, and deception, of fortunes bought and told.
