Customer Reviews

Famous for their ultra short, sharp and snappy reviews and highly personal and selective entries - LUXE City Guides have sold well over one million copies - no padding, no maps, no daft pictures and graphics, just super-curated, highly opinionated quickfire speed reads from resident editors and contributors who REALLY know their city, so you can spend time enjoying the city not head down in a book. Packed from concertina cover to cover with snazz, snark and snap, if it's in LUXE, it's IN -

enough said.

I travel constantly for my job, so I am very picky to choose the place I stay, eat and have fun. From this little guide, you can expect a lot of unexpected hidden places and getting to the heart of the city.
