The Chronicles of Narnia series have been my top favorite books for years and I'm glad to have found this book. The author goes through each book in the Narnia series individually, breaking down each chapter and carefully lining them up with scriptures and asking questions. There are typos here and there, but they're no big deal. It's an easy enough read for kids to understand, but not enough to bore teen and adult readers.

I'm just getting started with this. This is not something to do as a "quick read"! In order to get the full depth, it must be done very deliberately, & a little at a time in order to digest the amazing beauty that this Guide illuminates of Lewis' Narnia series. I highly recommend reading this "Guide" together with each Narnia book to obtain the awesome riches hidden there. I never recall reading this incredible series, so my method will be to read one book (in order), then read & study the accompanying Truth as expounded by Ditchfield. He has a brief, but DEEP study of each book, chapter by chapter. In that way I will work my way through this amazing challenge to learn so much more of the countless gems hidden in God's Word, & as presented in the unique way of CS Lewis, along with the "Study Guide" presented by Chrisin Ditchfield. A must-have for any serious student of God's Word!

I am unexpectedly pleased with this book. The layout is very practical and easy to follow. Excellent insight into the deeper meanings of the novel series by CS Lewis. Wonderful references to scripture throughout with verse after verse of relevant references. It is to the point, and doesn't waste words. So far, the best guidebook for studying the Chronicles of Narnia.

For those who love the Narnia series and the Lord, this is a wonderful family devotion. We loved how the author drew the Biblical connections to the Narnia books. Each chapter of each book has its own devotion. We loved to get the audio books, listen and read a chapter, and then do the

devotion for that chapter.

Great understanding and to teach how it relates to life, and the Bible, I break it down to all ages.

awesome read for any age.

love it

Beautiful biblical insights for each of the 7 Narnia books.
