# Air Gear Omnibus 1

## Synopsis

The Sky's the Limit! Ikki Minami looked up to the skies since he was a kid, dreaming of a freedom that defied definition—until he caught a glimpse of a mysterious and beautiful Air Trek rider, whose aerial acrobatics ignited his ephemeral dream into a blazing inferno of ambition. Now he is determined to use Air Treks to fly, uninhibited by the laws of gravity, and make his dream a reality. But the world of Air Treks is fraught with danger and deception. Will Ikki fly freely, or will his wings get cut before he can take flight?

## Book Information

Series: Air Gear Omnibus

Paperback: 624 pages

Publisher: Kodansha Comics (May 28, 2013)

Language: English

ISBN-10: 1612624006

ISBN-13: 978-1612624006

Product Dimensions: 5 x 2 x 7.6 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 76 customer reviews

## Customer Reviews

I absolutely loved the Air Gear anime, and I was so sad that it ended way before the story came to a close. The manga makes the characters much more lovable, especially Ringo. I love the artwork, and the story is already noticeably different from the anime. I now have to consider purchasing the rest of the series, but I may have to go with the omnibus versions to cut the cost down.

Again Volume 5 is a Del Rey published book. I'm thankful they picked up the series, but the work they did could have been better. Some of the dialogue for some pages get cut off, mainly due to either wordy translations or not enough page space. In Volume 5, Akito/Agito enrolls in Ikki's school after the whole ordeal in Volume 4 and decides to ride with him in the team he will be creating. Ikki creates the (legendary to-be) Storm Rider team, Kogarasumaru, and includes members Akito/Agito, Kazu, Buccha, and Onigiri. Team Kogarasumaru also have their 'debut' match against Sabel tiger,

the first of many official matches to reach the Trophaeum.

I finally got to collecting the volumes of one of my favorite series, starting off with Volume 3 (buying cheapest, best condition ones first). First, I must say, I sure am glad Kodansha picked up the series from Volume 18 onwards. Del Rey, unfortunately, was doing a pretty bad printing job. The dialogue from some of the characters on various pages throughout the volume, get cut off, due to insufficient space. Volume 3 is mainly about Ikki vs Buccha, after Buccha beats up Ikki's friends Kazu and Onigiri. The winner of the "parts war" will dominate the school.

Volume 22 practically has to do with the commencement of the Gram Scale Tournament. Unfortunately for Team Kogarasumaru, Ikki forgets to submit the application. Prior to the commencement, it features a pretty action packed duel, between Ikki and Kazu, due to Kazu losing confidence and straying off their path. Excellent series.

Good quality. Only problem for the ebook is that some of the pages are zoomed in on and you can't zoom out because that is the way it was put in there so you lose some of the content and miss part of some conversations. Otherwise great book.

Arrived in good shape.

I liked the product except for one thing. There was a small hole on the lower part of the package of the manga and a small pink dot on the book itself. Fortunately there was no great damage inside of the book. Thank you!

I loved the art work and the scans were good the only thing I'd like to look up and that's if this was censored.
