My granddaughter loves this book.

A gift for my five year old granddaughter.

Good reading practice

My daughter, who hates to read, loves this entire series. The font is large. That is important, since she has dyslexia.

My niece loved this. Great deal and condition!

Great transaction and the shipping was fast. Great price for a hard cover book for my child. Well paced story, colorful pictures and just enough words on each page for the emerging reader.

Kids love to read when they can and this book helps encourage reading because it is easy and has a great story line.
