Synopsis

“When I read these notes for the first time, I was quite young myself and I immediately identified with this man who narrated his adventures in such a spontaneous manner . . .” “There were moments when I literally took over Granado’s place on the motorbike and clung to my dad’s back, journeying with him over the mountains and around the lakes . . .” “To tell you the truth, the more I read, the more I was in love with the boy my father had been . . .” “” from Aleida Guevara’s preface “A journey, a number of journeys. Ernesto Guevara in search of adventure, Ernesto Guevara in search of America, Ernesto Guevara in search of Che. On this journey of journeys, solitude found solidarity, a lone man turned into a we.” Eduardo Galeano

Che Guevara was the legendary Latin American guerrilla fighter who joined the Cuban revolutionary movement that toppled the Batista dictatorship. He played a leading role in the early years of the Cuban Revolution and made an extraordinary and original contribution to Marxist theory. He died at the hands of CIA assassins in Bolivia in 1967.

An excellent introduction to the amazing life of Che Guevara. His early years set the stage for his future actions and great accomplishments.

If you really want to know who Ernesto Che Guevara was, do your homework and read Diarios de

Motocicleta. Authentic, intriguing and genuine honest and bold that's what the Diarios de Motocicleta is.

If you're interested in the Che and liked the motorcycle diaries this will be a great read!!

What can you say besides this is the way this book was meant to be read. In Spanish. The English version doesn't do the prose and lyrical content of the Che's writings any justice.

I couldn't even finish it. I read all bad reviews before buying it but still bought it because I liked the movie. Very disappointed.

Great reading of the early days of Che Guevara!

Poco ha cambiado suramerica, desde ese viaje

The book I got was in excellent condition. It was brand new, even when I paid as a used book. Thank you so much for your great work on favor of your customers. This book is about contemporary Latin America history. It is the foundation for the movie with the same title. It also has two very good introductions, including one by a daughter of El Che Guevara. I think everybody knows that he was a great revolutionary leader in Latin America, but I was surprised to learn about his literary vocation in this book. Horacio A. Hernandez
