Customer Reviews

I have a little co spoke who love to read

beautiful illustrations & realistic lessons on cowboy life. It's hard to find books like these - I got them as prizes for a kids cowboy party.

I just love all these books. my grandchildren love these books. we enjoy snuggling up & reading about little cowboys. of course we are all cowboys & cowgirls also. these are the best with great pics & very good stories.

My two year old is completely obsessed with anything horses, cows, or cowboys. We had checked this book out at the library and he liked it so much that I ordered it. I don't know that he follows the

story line all that much, but he does sit quietly while I read it and looks at the pictures for quite a long time; he sometimes makes me wait to turn the page after I've finished reading so that he can look at the pictures longer. For us this book has been great, it gives a detailed history of what cowboying was like in the old west.

Lengthy but good and told a lot about the west and cowboys. My preschoolers enjoyed it - but I did have to omit words to make it more understandable and easy to pay attention too!

Informative book about cowboys, but easily understood by little ones. Such a joy to see my child's eyes light up as we read about the real life of cowboys.

My 3yr old nephew loves his Mom reading this to him. He's obsessed with horses, bulls, rodeo's and a lil bit with cowboys. His Mom also said she learned from it as well. He'll grow with this book.

Excellent cow boy story. great pictures and nicely written. the children at our library just love this book. WHAT TO READ NEXT. GRANDMA'S PUPPY: THE FUN PUPPY
