Bought for son to use in ensembles. He loves the song selections.

This is one of the most poorly written duet books I've ever encountered. Great songs made to sound completely awful. The arranger should go back to driving a forklift for a living. I'll be recycling this one so society can be spared of thinking that this is what duets sound like. Please don't waste your student's talent by buying this trash.

Bought ths book thinking it might be fun to play with a friend and keep my chops in shape. I was

very disappointed to find that his is Junior High caliber and the arrangements are awful. Whoever arranged this should find another vocation.
