Giorgio Uccellini is a self-taught airbrush artist who has been airbrushing for over 20 years. He has applied his artwork to every conceivable medium including metal, clothing and even the human body! Giorgio sells his work all over the world; he attends many related international exhibitions and fairs and also offers private tuition. Originally from Italy, Giorgio now lives and works in Sheffield, UK. Also available: Ultimate Airbrush Handbook, The 9780823055746

Ok, maybe it was just me, but I really ordered this book to explain and teach me how to use my airbrush. I was hoping for more information on pumps and how to but this book left me still not understanding the whole process fully. I do think that when I have learned more on my own that this will be a nice book to round out ideas, but I ordered it because it said it was for the beginner and had instructions. If you already are doing airbrush, this is a beautiful book to just look at and get ideas.

BEAUTIFUL BOOK VERY GOOD QUILITY , DEALER VERY FAST IN DILIVERY .

Great art instruction book .

good info

Excellant book, well written and detailed. Excellant coverage of the use of the air brush. More books of this nature are needed.This is definately a book I would recommend to an artist.

Awesome book, easy to understand with directions that are easy to follow!

Very clear and informative. Lots of information for the beginning airbrush artist as well as those more advanced

Love this book. Has everything in it about airbrushing on all surfaces. fast shipping.
