The Little Book Of Chanel

Synopsis

This monograph on Coco Chanel chronicles the life and legacy of one of history's most influential couturiers. From her early days of millinery, through her revolutionary inventions in sportswear and jersey fashions for women, the classics that have made her name, such as the Chanel cardigan jacket and the little black dress, to the global empire of the brand under the helm of Karl Lagerfeld, this beautifully illustrated book offers a fascinating account of Chanel's evolution and innovation. Detailed photographs and sketches of her designs, along with fashion photography and catwalk shots, pay tribute to one of the world's most highly regarded fashion houses and the woman behind it.

Customer Reviews

Having studied fashion at St Martins School of Art and history of art at Bristol University, Emma Baxter-Wright has taught fashion journalism at the University of the Arts, London and UCA. She has contributed to many publications including the New York Observer, Cosmopolitan and Marie Claire, and is the author of two photographic books on the English fashion photographer Brian Duffy, and The Little Book of Schiaparelli. Emma lives in London, England.

love this cute little book!

The only thing, is that my book came with dents on the edges.

Nice book. Little is exactly what it is. The size of a small journal.

Happy, just what I wanted!

Cute decor piece.

Love it

The book has scratch and was not covered with plastic like other books not so happy with it

The book came in perfect condition! It is an adorable book and the pictures are gorgeous. Cannot wait to read through it!
