Baby Don't Smoke: A Graphic Novel

Synopsis

The findings against cigarette use haven't been new or remarkable for years. What is remarkable is the continued allure of smoking despite its obvious dangers. "I attribute this in many ways to the prolonged, clever (insert 'devious') marketing of the cigarette companies," says author Everett Jaime, an Hispanic American. *Baby Don't Smoke*, his short graphic novel, is directed to young parents and pregnant teens, and their social network of friends and family. It boldly points a finger at the cigarette companies as an unnecessary and greedy empire. "*Baby Don't Smoke*" is an exciting, information-rich and colorful graphic novel of a teenage Latino girl named Maria who lives in East Los Angeles with her mother, boyfriend and their newborn. She is lead through a series of dramatic encounters with sinister and friendly characters which climax in a surprise ending, leaving her with the resolve to quit smoking forever. Since badgering and many forms of education about the obvious health concerns caused by smoking haven't eliminated the problem, *Baby Don't Smoke* takes a different approach. It encourages teens to rebel! In this case, against the cigarette companies who entice them into addiction and ill-health, and thus contribute to the illness of their infants and children. "We give people a pre-packaged, cool, rebellious identity when they can't create one for themselves," scoffs Doris, the novel's seductive and brilliant villainess who controls Tobacco Empire. When protagonist Maria, a pregnant teen, responds with sarcasm, "You must be very proud," Doris counters menacingly, "I'm not proud, I'm rich." "*Baby Don't Smoke*" presents hard evidence of the dangers of smoking in an imaginative, edgy, & readable format. Contemporary illustrations by Eliot R. Brown, an artist for Marvel Comics and others, skillfully drives home the message. The approach is perfectly suited to its target market-lower-income, ethnic teens & pre-teens-without ever patronizing them. The book will appeal to library markets, especially high schools and junior highs, and to health educators, as well as Planned Parenthood and other agencies concerned with teen pregnancy and health. In bookstores, it should attract parents & friends of young smokers who will buy it to leave around for their loved ones to spot.

Book Information

Paperback: 40 pages

Publisher: Kalindi Press; 01-Oct-12 edition (June 1, 2012)

Language: English

ISBN-10: 1935826204

ISBN-13: 978-1935826200

Product Dimensions: 6.5 x 0.2 x 10.5 inches

Mexican American writer, musician, painter & entrepreneur, grew up in San Jose, CA, now lives in London with his wife. He wrote his first "book" at age 8. In college, using an old photocopier, he created booklets from his drawings & random musings. He's started 2 businesses, toured Europe with a blues band, composed & recorded on 11 albums of rock music, performed at Renaissance Festivals, & acted in 6 theatre productions. His painting & photography work is currently exhibited in London. Baby Don't Smoke reflects his quirky & compassionate dedication to kids & teens. See: www.everettjaime.com

Eliot R. Brown is an American comic illustrator, writer, photographer and modeller. He grew up on the mean streets of midtown Manhattan and currently lives in an undisclosed, secure location with his wife, son and the same clothing he's worn for the past 27 years. Brown worked for Marvel Comics as well as being a freelance artist for Marvel, DC and many independents and is best known for his involvement with "The Official Handbook To The Marvel Universe," "The Punisher Armory," and "The Iron Manual." FACE FROM THE SMELL OF HIM.MARIA: I umâ |no thanksâ |I was just waiting for
someone.WIDER ANGLE OF WAITER REVEALS A WILTED FLOWER ON HIS LAPEL. HE IS
LOOKING DISAPPOINTED. WAITER: Are you sure?MARIA TURNS AWAY, HEADED FOR DOOR,
LEAVING WAITER STANDING AT TABLE IN CAR SALESMAN POSE WAITER: Helps you stay
thin.LONG SHOT OF WAITER STANDING IN DOORWAY WAVING AT THE END OF HALLWAY
WAITER: Come again soon!

While the author has a serious, good purpose for this story, the art is weak. The characters are
weird looking and disproportionate.The backgrounds are the best rendering in the comic book This
guy can really draw a faucet! The people look like an afterthought. It detracts from the story.

While an anti-smoking message is important, this book hits the reader over the head with it's
message and would likely turn-off any smoker. Turn them off from the book, not from smoking. The
dialogue is unbelievable, and the whole thing is just too much of a lecture to keep kids reading.
