Bath: The Best Pubs, Restaurants, Sights And Places To Stay (Cool Places UK Travel Guides Book 1)

Synopsis

One-time hangout for English high society, the elegant city of Bath is home to Britainâ™s only natural hot springs. Itâ™s these healing waters, of course, that put the city on the map, and are in part what continue to draw visitors today, both to the original Roman Baths and to the state-of-the art Thermae Bath Spa, where they can test its curative claims themselves. The baths, however, form only the centrepiece of what is arguably the most beautiful city in England. Blanketed in soft, honey-coloured stone, itâ™s a grand sweep of Georgian terraces and cobbled streets, packed with museums and galleries, antique shops and markets, and it enjoys a range and variety of restaurants that would rival cities twice its size. Cool Places aims to celebrate the glorious diversity of the UK, promoting the very best places to visit, sleep, eat, drink, shop and much more. We particularly love the independent businesses that make the UK unique, from the tiniest B&B to the grandest boutique hotel, as well as the extraordinary British landscape and its amazing sights and attractions. Our guides cover most of the major towns and regions of Britain â“ for more information, visit www.coolplaces.co.uk

Customer Reviews

Not much more in this than you can find on the web; in fact I'd say less than. Unimpressive, I'm sorry to say.
