## **Customer Reviews**

Another wonderful sonic comic I can't wait to read the next one. I highly recommend this book I really enjoyed it.

My son has probably read this book a hundred times. And he wants the next book in the series

I never knew that sonic and tails could never be friends. people who love to read sonic u need to read this.

This is a pretty good book! If you like cool comics, this book is good. But the one thing I do not like is that it stops at a good hook! It sometimes leaves you hanging. But it is wonderful.

It was good it has action adventure and a lot of fighting but over all I thought it was awesome!!!!!!!!!!

I love that that this book is SO dramatic who know Tails and Sonic would turn on each other sorry I'm a walking spoiler alert for you. but still amazing read.

I love this book and I like sonic I play his game and read his books I will give this book 5 stars

I didn't know tails could turn on sonic even though there was no off panel but still really cool I've been looking for 1 with Fiona and scourge
